Subject Role or Career Group:

Part I: Comments and Suggestions for Improvements

1. Please describe how this Career Group or Role Description might be improved.

Part II: Issues and Concerns

- _____ The document does not adequately describe the range of work performed by employees assigned to this Career Group.
- _____ The range of work does not reveal the levels that exist within the Roles.
- _____ The document does not effectively distinguish one Role from another within the Career Group.
- _____ I have concerns about staff and supervisory positions being allocated to the same Role.
- _____ I have concerns about the Role titles.
- _____ I have concerns about the occupations and/or specialties that now comprises this Career Group or Role.
- _____ The Compensable Factors for this Role(s) do not provide a greater understanding of the complexity of the work performed, the knowledge required to perform that work, the outcome or expected results, and the degree of accountability associated with the Role.
- _____ Formal regulatory requirements identified in the *Code of Virginia* (such as licensure or certification) for this profession are not clearly stated.
